

Q1 Please tell us your primary way of enjoying the Boise Foothills.

Answered: 2,142 Skipped: 5

ANSWER CHOICES	RESPONSES	
Hiking	29.37%	629
Mountain Biking	57.24%	1,226
Trail Running	12.46%	267
Horseback Riding	0.56%	12
Motorcycle/ATV Riding	0.19%	4
Other	0.19%	4
TOTAL		2,142

Q2 Responses were mixed in the initial 2021 Ridge to Rivers survey related to support for a pilot management strategy separating use on Lower Hulls Gulch Trail. Please answer the following question to provide further feedback. Would you support a pilot management strategy (implemented April to November 2021) allowing only downhill bike traffic on odd days of the month and only pedestrians, horses and uphill mountain bikers on even days of the month?

Answered: 2,141 Skipped: 6

ANSWER CHOICES	RESPONSES	
Yes	63.15%	1,352
No	36.85%	789
TOTAL		2,141

Q3 The following question clarifies the proposed separation of use on Bucktail Trail #20A. Do you support separating user groups on Bucktail Trail by creating a new pedestrian only route nearby? Mountain bikers would continue to use the existing Bucktail Trail as a downhill only route (uphill would be via Central Ridge Trail).

Answered: 2,137 Skipped: 10

ANSWER CHOICES	RESPONSES	
Yes	84.09%	1,797
No	15.91%	340
TOTAL		2,137

Q4 Should the City of Boise work with Ridge to Rivers partners to seek out opportunities for new downhill mountain biking trails with technical features in the upper Boise Foothills? For example, around Ridge Road and the Bogus Basin area.

Answered: 2,133 Skipped: 14

ANSWER CHOICES	RESPONSES	
Yes	88.98%	1,898
No	11.02%	235
